Prestigious Industry Award Presented to Mullet's Aluminum Products, Inc.

Sarasota, FL - For the 3rd consecutive year in a row, Mullet's Aluminum Products, Inc. was presented the prestigious Aluminum Association of Florida's 2009 Award of Excellence in 3 categories at the organizations annual Aluminum, Hurricane & Home Improvement tradeshow and conference held at the Marriott World Center in Orlando, FL on Saturday, September 26, 2009.

The award represents the highest standards in overall project quality and craftsmanship within the aluminum and glass industry in the State of Florida.

The first Award of Excellence was in the Miscellaneous Metals category in recognition of an aluminum and glass pedestrian bridge and walk-way system that was fabricated and installed by Mullet's Aluminum at the new MetWest International office / retail complex in Tampa, FL. The Construction Manager was Taylor Mathis and the General Contractor was Skanska USA.

The second Award of Excellence was in the Railing category in recognition of Mullet's Aluminums fully welded, proprietary glass railing system that was fabricated and installed at the recently completed 29-story luxury water-front condominium, Ovation, in St. Petersburg, FL. In addition to the railing, Mullet's Aluminum also installed the metal roofing system on the top of the complex and around the perimeter of the lower levels. The Developer and General Contractor was JMC.

The 3rd Award of Excellence was in the Siding category in recognition of an upscale residential project that utilized Alcoa's Structure Siding – named as a top 100 new product in 2007 with an R-4 insulation factor and rated for 190 mph wind speed. In addition to the siding, Mullet's Aluminum also installed it's MAPI metal roofing system; aluminum soffit, fascia, gutters, screen enclosure and PGT's WinGuard windows.
