Mullet's Aluminum Products, Inc. receives prestigious Excellence Through Partnership Platinum Distributor Award from PGT Industries for the 4th Consecutive Year

Sarasota, FL – For the 4th consecutive year, Mullet's Aluminum Products, Inc. has been awarded the Excellence Through Partnership Platinum Distributor Status – the highest Distributor designation awarded by PGT Industries which is the nation's largest manufacturer of impact resistant windows and doors.

“We are very honored to receive this prestigious award again this year and have thoroughly enjoyed our relationship with PGT Industries.” says Jay Coblenz, Sales Manager for Mullet's Aluminum Products. “This award represents our ongoing dedication and commitment in providing our customers with quality products and superior service, at competitive prices. We understand that consumers have many options available today when making buying decisions for home improvement projects. However, there is also a significant difference in product performance under challenging conditions that most consumers are unaware of – or information that is somewhat confusing. Our customers are very sophisticated and want to understand those differences. PGT products have undergone some of the toughest product performance testing in the country and we view our role as educating and assisting customers in making an informed decision based on their specific project requirements - all supported by our highly seasoned installation representatives.”

“Mullet's Aluminum is one of only 18 PGT Industries Distributors in the United States to achieve this distinguished recognition and elite Platinum status. Mullet's is an outstanding organization and it shows in all they do for the customer” said Lynda F. Williams, Public Relations Manager for PGT. “We are proud of our long-standing partnership with Mullet's Aluminum and their commitment to quality and outstanding service.”

Founded in 1978 by Freeman and Sandi Mullet, Mullet's Aluminum is Southwest Florida's premier source for quality building products and superior installation services to the residential, condominium and commercial markets. The company has 155 employees and 5 business divisions; Windows & Doors Division; Metal Roofing Division; Pool Cages & Enclosures Division; Railing, Gates & Fencing Division; and Gutters, Siding & Soffit Division. Mullet's Aluminum is a privately held company with corporate headquarters, manufacturing and fabrication facilities located in Sarasota, FL.
