**Mullet's Aluminum Awarded Hyatt Sarasota Contract**

**SARASOTA, FL, November 7, 2007** – There is slow but steady evolution occurring in downtown Sarasota's tapestry.

“Over the next 5 years, Sarasota should blossom into a true world-class destination with incomparable properties, amenities and opportunities for area residents. While this may be difficult to fully appreciate or embrace at the moment the razing of the outdated Quay building and renovation of the Hyatt Sarasota are both symbolic of positive things to come.” stated Jay Coblenz, Director of Sales for Mullet's Aluminum Products, Inc.

Recently, Mullet's Aluminum – a PGT Platinum distributor based in Sarasota, FL - was selected to replace 176 existing sliding glass door units at the Hyatt Sarasota with PGT Industries new high-performance, Architectural Series window product which is site-specific engineered to meet the most challenging high-rise commercial, multi-story condominium and coastal application requirements while providing an aesthetically preferred solution and occupants with maximum wind-storm protection. “Great cities should have great downtowns and we are pleased to be a part of this positive transformation in downtown Sarasota.” stated Coblenz.

Founded in 1978 by Freeman and Sandi Mullet, Mullet's Aluminum is an award winning company and Southwest Florida's premier source for quality building products and superior installation services to the residential, condominium and commercial markets. The company has 155 employees and 5 business divisions; Windows & Doors Division; Metal Roofing Division; Pool Cages & Enclosures Division; Railing, Gates & Fencing Division; and Gutters, Siding & Soffit Division. Mullet's Aluminum is a privately held company with corporate headquarters, manufacturing and fabrication facilities located in Sarasota, FL.
