Window Replacement Contract**

SARASOTA, FL, June 17, 2008 – With the predictions of an active hurricane season, Naples, FL headquartered Orion Bank has selected J.E. Charlotte Construction Corporation as the General Contractor and Mullet's Aluminum Products, Inc. as the window installation contractor for their flagship branch located in Marathon, FL.

“To achieve maximum protection from windstorms, Orion Bank is replacing their original, non-impact wood framed windows with PGT Industries high-performance, impact-resistant Architectural Series commercial window product for this direct, coastal application.” says Jeff Charlotte, Founder and President of J.E.
